Received by Boston
Rev W. H. Kellogg

I hope you received your parcel -
I sent it, free of expense, through
the Secretary of the Sailors'
Society - it went to New York -
Care of W. A. Tappan. I
attended the exchange of the
Patriot (one day in the week)
for your Recorder - and will
be most happy to exchange
with the latter. Adieu very
just now - As this is Saturday
& I have to attend the friends of the
Non-Res of our Meeting yesterday
Yours most cordially
Wm. Lathrop

pleased with the Sample, I
will continue to entertain
you with much pleasure.
Do send me good American
News - as often as you can - and
I am not afraid here of
your American Theology.

A package book is not yet
yet not, the I bought some
it now - not a day shall be
lost when it does appear.

Mr Killogg will give you
all the News of the day. He leaves
this land very much beloved by all
who know him - And very justly.
In my mind. To him I must
refer you for all information
about public affairs - And
even about my own doings.
I thank you for your favours -
they are published; and
